INDEPENDENT AUDITOR'S REPORT

To the Members of Eagle Point - Blue Rapids Parks Council

Opinion

We have audited the financial statements of Eagle Point - Blue Rapids Parks Council (the society), which comprise the statement of financial position as at December 31, 2020, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the society as at December 31, 2020, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the society in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control.

(continues)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

EAGLE POINT - BLUE RAPIDS PARKS COUNCIL

Notes to Financial Statements

Year Ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The council is a not-for-profit organization incorporated under the Alberta Societies Act. It manages and operates Eagle Point Provincial Park and Blue Rapids Provincial Recreational Area, provides consulting and management services to various groups of interest in respect to Eagle Point Provincial and Blue Rapids Recreational Parks, and offers environmental, experiential education programs to the local community.

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Fund accounting

Eagle Point - Blue Rapids Parks Council follows the restricted fund method of accounting for contributions.

The Restricted Fund accounts for the organization's operating costs, operating grants and other revenues designated as restricted by external funding sources.

The General Fund accounts for other operating costs, operating grants and revenues not externally restricted. Within the General Fund is the Council's Reserve Fund, which was created, by way of Board resolution, to cover cash shortfalls. The balance of this fund is reviewed on an annual basis by the Board of Directors.

Recognition of contributions

The Council follows the restricted fund method of accounting for contributions. Externally restricted contributions are recognized when they are received in the restricted fund. Unrestricted contributions are recognized in the general fund.

Contributed services

The operations of the Council depend on both the contribution of time by volunteers and donated materials from various sources. Because of the difficulty of compiling these hours, contributed services are not recognized in the financial statements.

Contributed goods

Contributed goods are recorded at their fair market value at the time of the donation. During the year \$0 in goods were donated (2019 - \$0).

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Equipment

Equipment is recorded at cost less accumulated amortization. Equipment is fully amortized in the year it is purchased.

Notes to Financial Statements

Year Ended December 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income taxes

The Council is a not-for-profit organization. Accordingly, no provision is made for income taxes pursuant to Section 149(1) of the Income Tax Act.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

3. DEFERRED INCOME

Deferred income consists of the unspent portion of a grant received from the Department of Environment and Parks from the Province of Alberta in accordance with the Environment and Sustainable Resource Development Grant Regulation, A.R. 182/2000.

4. GOVERNMENT ASSISTANCE

During the year, the Council received the \$40,000 Canada Emergency Business Account ("CEBA") which is an interest-free line of credit to cover operating costs. Repaying the balance of the loan on or before December 31, 2022 will result in a loan forgiveness of 25%. As of December 31, 2020, \$40,000 of the line of credit was used. The company qualified for the 10% Temporary Wage Subsidy (TWS). These financial statements reflect \$982 in income from the TWS.

The company qualified for the Canadian Emergency Wage Subsidy (CEWS) for periods 1 through 11. These financial statements reflect \$26,834 in income from the CEWS.

5. RELATED PARTY TRANSACTIONS

a) During the year, the Council entered into transactions with the following related parties:

Drayton Sand and Gravel, Chair's corporation
Drayton Redi Mix, Chair's corporation
Dennis McGinn Holdings, Chair's corporation
Kara Westerlund, Director

b) The Council entered into the following transactions with related parties.

	<u>2020</u>	<u>2019</u>
<u>Revenues</u>		
Calendar sponsorship	\$ 900	\$ 950
Program registration	133	191
	<u>\$ 1,033</u>	<u>\$ 1,141</u>

These transactions are in the normal course of the operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

c) The Council has no outstanding balances to/from related parties at year end.

6. ECONOMIC DEPENDENCE

The Council is mainly funded by grants and is economically dependent upon them.

7. EXCEPTIONAL ITEM

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global economies.

As at December 31, 2020, the Council is aware of changes in its operations as a result of the COVID-19 crisis, including the closure of its offices.

Management is uncertain of the effects of these changes on its financial statements and believes that any disturbance may be temporary; however, there is uncertainty about the length and potential impact of the disturbance.

As a result, we are unable to estimate the potential impact on the Council's operations as at the date of these financial statements.

8. FINANCIAL INSTRUMENTS

The council is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the society's risk exposure and concentration as of December 31, 2019.

(a) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The society's credit risk is reduced by the fact that the carrying value of cash, accounts receivable, accounts payable, accrued liabilities and wages payable approximates its fair value due to the immediate or short term maturity of these instruments.

(b) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the society manages its exposure through its normal operating and financing activities. The society is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.
