Cooper's hawk	woods and edges; nests in tall pines	uncommon	
Golden Eagle	cliff ledges, bogs, forests	rare; vagrant	Sensitive
Merlin	open woodlands	uncommon & vocal	
Northern goshawk	forests with openings	rare	Sensitive
- Harting Hart	To cotto mun openingo		
Northern harrier	marshes, farmlands, grasslands	flys low, strong dihedral	Sensitive (S5 G5)
- Tortile Trainer	inarones, rannanas, grassianas	inys towy strong amearar	Sensitive (SS CS)
Osprey	around open water with fish	uncommon	Sensitive (S4 G5)
<u></u>	a. out a open water with hon		Threatened
			(SARA); At Risk (S3
Peregrine falcon	open areas, often near water	uncommon	G4)
Red-tailed hawk	widespread	dicommon	G+)
Neu-taileu Hawk	widespread		
Rough-legged hawk	farmland, marshes, open habitat	uncommon	
Sharp-shinned hawk	mature mixed forests	uncommon	
Sharp-shillieu hawk	Infature mixed forests	uncommon	
OWLS			
OVVLS			Sensitive (S3S4
Barred Owl	Mature forests		G5)
Darreu Owi	Mixed coniferous and deciduous		(35)
Boreal Owl	woods		
buleal Owl	woods		
Croat gray and	hags & mandaws in haran	raro	Sansitiva (SA CE)
Great gray owl Great horned owl	bogs & meadows in boreal	rare	Sensitive (S4 G5)
Great norned owl	woods, fields, forest edges	uncommon	
Nanthana kandoand	open spruce woods, bogs, burned	and a still a day.	C : : :
Northern hawk owl	areas	rare, active in day	Sensitive
Ni a mella a mana mana mana na mana na mana	open forests with patches of brush		Canalities (C2 CE)
Northern pygmy owl	or chaparral	uncommon, active in day	Sensitive (S3 G5)
	Mixed coniferous and deciduous		
Northern saw whet owl	woods		
CILLC	_		
GULLS	ļ.,,		-
Bonaparte's Gull	Water		-
California gull	ponds & lakes	common	
Franklin's gull	beaches, lakes, farmlands	uncommon	
Ring-billed gull	around water & human refuse	most widely seen gull	<u> </u>
		<u> </u>	

DUCKS			
American Wigeon	Fresh water	dabbling duck	
Blue-winged teal	Marshes, ponds	dabbling duck	
Bufflehead	fresh water	no call available	
Canvasback	lakes, bays, small marshy ponds		
Cinnamon teal	shallow ponds with marshy veg		
	lakes, rivers, beaver ponds etc		
Common goldeneye	(nests in tree cavities around)		
Gadwall	water		
Caawan	shallow marshes, flooded fields,		
Green-winged teal	mudflats	common	Sensitive (S5 G5)
Green winged tear	mamats	Common	Schistive (33 d3)
Lesser scaup	ponds, lakes, marshy veg	in large flocks	Sensitive (S5 G5)
Mallard	period, idices, marshy veg		25/15/2/20 (33 (33)
Northern shoveller	marshy ponds	in small flocks	
Redhead	lakes, lagoons, marshes	III SITIALI HOOKS	
Rediredd	ponds & marshes with wooded		
Ring-necked duck	shores	uncommon	
Ruddy duck	31101 C3	uncommon	
Common merganser	deep clear lake and rivers		
Common merganser	sheltered ponds & bays, wooded		
Hooded merganser	ponds		
1100ded Hierganser	ponds, marshy areas in shallow		
Ruddy duck	water		
Nuduy duck	water		
GRUIFORMES			
American coot	ponds & marshes	common	
Sandhill crane	open meadows	large flocks	Sensitive
Sariariii craric	open meddows	large nocks	SCHOLLYC
Sora	wet marshes, veg edges	often hard to see	Sensitive (S5 G5)
3014	weet marshes, veg eages	orten nara to see	Schistive (33 d3)
SANDPIPERS & PLOVERS			
	grassy edges of ponds, stubble of		
Common snipe	flooded fields	uncommon, inconspicuous	
Killdeer	open ground	common	
	shallow water, mudflats, grassy		
Lesser yellowlegs	pond edges		
20000 yenowiego	edges of brushy ponds and ditches,		
Solitary sandpiper	nests in boreal		
Jonean y Janiapipei	ponds, streams, rocky shores, steep		
Spotted sandpiper	banks	uncommon	
Spotted Janupiper	During .	uncommon	
	+		

WOODPECKERS			
Downy woodpecker	woodlands, especially riparian	common	
Hairy woodpecker	mature forests		
Northern flicker	wooded areas with openings	forages on ground	
	mature hardwood and coniferous		
Pileated woodpecker	forests		Sensitive (S4 G5)
- noosos noosposio	spruce woods, areas with many		
Three-toed woodpecker	dead trees	rare	
Yellow-bellied sapsucker	mixed coniferous woodlands	luncommon	
FLYCATCHERS			
Alder flycatcher	low brushy veg in wet areas	common	
,	, 5		
Eastern kingbird	semi-open woods, often near water		
	streams & ponds with marshy veg,		
Eastern pheobe	over-hanging trees	uncommon	Sensitive (S5 G5)
·	mature deciduous forest with		,
Least flycatcher	brushy understorey		Sensitive (S5 G5)
Olive-sided flycatcher	boreal forests	uncommon	
·	mature deciduous, mixed woods,		
Western wood-pewee	forest edges		
SHRIKES & VIREOS			
	Mixed forests, middle to upper		
Blue-headed vireo	levels of trees	Vireo	
	open pastures & prairies with		Sensitive; Special
Loggerhead shrike	scattered trees & bushes	uncommon	Concern (AB)
Northern shrike	open spruce woods	rare, only winters in area	
Philadelphia vireo	deciduous forests		
Red-eyed vireo	woodlands		
	large trees near water, esp.		
Warbling vireos	cottonwoods & aspens		
CORVIDAE			
American crow	widespread		
Black-billed magpie	widespread		
Blue jay	woods	uncommon	
Common raven	widespread		
Gray jay	coniferous woods		

SWALLOWS			1
Bank Swallow	Fresh water, meadows		
Barn swallow	fields and ponds		Sensitive (S5 G5)
Cliff swallow	fields and ponds	common	,
Tree swallow	forages over fields and water	in large flocks	
CHICKADEES &			
NUTHATCHES			
Boreal Chickadee	Woods, spruce		
Black-capped chickadee	widespread	common	
Red-breasted nuthatch	coniferous and mixed woods		
nea breasea namaem	connerous and mixed woods		
White-breasted nuthatch	mature woods		
THRUSHES			
American robin	open woodland		
Hermit thrush	brushy understorey of forests		
	open areas with scattered trees and		
Mountain bluebird	bushes	uncommon	
Swainson's thrush	mature mixed wood		
Veery	willow thickets & other woods		
Robomian Waywing	wooded areas		
Bohemian Waxwing	wooded areas	no call available	
Cedar Waxwing	widespread		
European starling	widespread	common, introduced	
WARBLERS			
- TOTAL CONTRACTOR OF THE PARTY	deciduous forests, small tree		
American redstart	understorey, wet areas	uncommon	
	Coniferous forests, dense with		
Bay-breasted warbler	small openings		Sensitive
,		rare western north	
Blackpoll warbler	Coniferous forests, stunted	america	
Black-throated green	Coniferous and Mixed woodlands,		Sensitive; Special
warbler	mature		Concern (AB)
	mature coniferous forest (esp.		
Cape May warbler	where spruce budworm is)	uncommon	Sensitive
Common yellowthroat	weedy, brushy, marshy wet areas		Sensitive (S5 G5)
	open woodlands with patches of		
Connecticut warbler	dense veg	uncommon	
Magnolia warbler	dense coniferous forest	uncommon	

WARBLERS (cont'd)			
	dense undergrowth, forest		
Mourning warbler	clearings, wet areas	uncommon	
Wodring Warbier	dense deciduous brush, willows and	uncommon	
Orange-crowned warbler	alders		
Transe crowned warbier			
	mature deciduous, mixed forests		
Ovenbird	with shaded undergrowth	uncommon	
- Cremon d	open bogs bordered by spruce,		
Palm warbler	forage in grassy areas	uncommon	
T dilli War bier	open or young woodlands with	uncommon	
Tennessee warbler	moss/forb groundcover	uncommon	
Townsend's warbler	mature coniferous forests	arreerminerr	
Townsena 5 warster	brushy woods with dense		
   Wilson's warbler	understorey		
322	, , , , , , , , , , , , , , , , , , , ,		
Yellow warbler	wet brushy habitat, esp. willows		
	land the state of		
Yellow-rumped warbler	open coniferous forests & edges		
SPARROWS			
American tree sparrow	brushy or weedy habitat near trees		
Chipping sparrow	open woodlands, woodland edges	common	
11 0 1	,		
Clay coloured sparrow	open areas with scattered bushes	common	
,	open coniferous & mixedwood with		
Dark eyed junco	patches of open ground		
	dense wet grasslands & sedge		
LeConte's sparrow	marshes	uncommon	
Lincoln's sparrow	dense brushy areas	inconspicuous	
Snow bunting	open ground	only winters in area	
Song sparrow	brushy areas, often near water		
	wet marshes, pond edges in dense		
Swamp sparrow	veg	uncommon	
Vesper sparrow	dry & sparsely vegetated pastures		
White-crowned sparrow	patchy brushy areas		
	brushy patches, near openings in		
White-throated sparrow	woods		
ICTERIDS			
Brewers Blackbird	Everywhere		
Brown-headed cowbird	Woodlands, open or patchy		

	Ī		
Common grackle	dense conifers	uncommon	
Northern oriole	open deciduous woodlands	common but limited	Sensitive (S5 G5)
Red-winged blackbird	wet, brushy, marshy areas		
Rusty blackbird	bogs within boreal forests	uncommon	Sensitive
Western meadowlark	arid grasslands		
Western meadowiark			
	_		
FINCHES			
American goldfinch	widespread	common	
Common redpoll	willows and birches	only winters in area	
Evening grosbeak	mixed forests		
Hoary redpoll	willows and birches	only winters in area	
	coniferous forests, around fruit		
Pine grosbeak	trees	only winters in area	
Pine siskin	open forests	,	
Purple finch	wooded areas		+
r arpie miun			+
December 1	mature deciduous forests, other		
Rose-breasted grosbeak	wooded habitat		
White-winged crossbill	coniferous forests, around spruce	uncommon	
OTHER			
American bittern	marshes	uncommon	Sensitive
Belted Kingfisher	Fresh water		
Black tern	Marshes, ponds		Sensitive
	widespread		SCHSICIVE
Canada goose	widespread	manath anti-un at might	
		mostly active at night	(65.05)
Common nighthawk	clearings, fields and ponds	(farthawk)	Sensitive (S5 G5)
Golden-crowned kinglet	mature conifers	common, small groups	
	brushy understorey of woods,		
Gray catbird	damp shaded areas	common	
	stream & pond edges, wet		
Great blue heron	meadows	uncommon	Sensitive (S3 G5)
House wren	dense brushy patches		
Lazuli bunting	brushy or weedy areas		+
~	·		
Mourning dove	open ground & brushy cover		
Ruby-crowned kinglet	mature trees, spruce & deciduous	common, small groups	
Ruby-throated	wooded areas, around flowering		
hummingbird	plants	rare	
Ruffed grouse	dense deciduous forests	uncommon	
-	open grasslands & brushy areas,		
Sharp-tailed grouse	deciduous woods	uncommon	Sensitive
			301131010
